Foglia di Fico

Our *Carta dei Vini* primarily features Italian wines.

Although it's not extensive, we genuinely believe that the wines we offer perfectly complement our food.

We hope you have a delightful time with us!

Grazie mille

Foglia di Fico & del Rios Winery

It all began in 2013.

Chef Jerry was hunting for wild mushrooms in the hills of Mt. Anakie.

Looking for a place to rest, he met Gus and his wife Esther del Rio in the nearby winery on the slopes of the mount. The relationship commenced with great appreciation for each other's passion for produce and pursuit of excellence.

Our *Vino Rosso* and *Vino Bianco* are now grown and crafted by Gus del Rio and his family.

Under the skilled hands of Gus, del Rios Winery has meticulously produced wines that perfectly complement the exquisite dishes served at Foglia di Fico.

This partnership brings together the expertise of two passionate entities, creating a unique dining experience for patrons who can now savor locally crafted wines alongside the restaurant's delectable cuisine.

It's a harmonious fusion of flavors and friendship that has flourished over the years, delighting patrons with every sip and bite.

Like in Trattoria...

"Think back to the times when our only concern was savoring delicious food and relishing moments with a glass of wine.

We believe that when we come together with loved ones and have good food, it's about sharing emotions and appreciating the simple moments. That's why we think of wine as a daily drink.

Our aim is to provide you with a wonderful time, delicious food, and the pleasure of sipping a glass of fine vino!"

We will be serving our wines in our stemless glass (tumbler), just like in the old days, to show that the quality isn't determined by the shape.

**Please let us know if you prefer to enjoy your vino in the standard goblet.*
